

## SENIOR LECTURER/ASSOCIATE PROFESSOR IN MEDICAL SCIENCES

The Fiji School of Medicine (FSMed) is the premier health and medical institution in the Pacific island region striving towards Excellence in Training and Education of Health Professionals.

As the premier health and medical institute, FSMed has been educating Health Care Professionals since its establishment in 1885. Currently there are over 1000 students enrolled in FSMed

from approximately 20 countries and territories of the Pacific. A number of senior academic opportunities have been identified for qualified and enthusiastic Medical Professionals as a result of growth in student numbers in Medical Sciences with the expansion of under graduate and post graduate programmes of study.

We have a vision to "To be the leading health workforce academic education and research institution in the Pacific Region" and to realize this dream and cater for the increasing demands, applications are invited from specialists in the following disciplines:

- Paediatrics – 1 post
- Obstetrics and Gynaecology – 2 posts
- Internal Medicine – 1 post • Anaesthesia – 2 posts (Suva and Lautoka)
- Psychiatry – 1 post

### General Information

These positions report directly to the Head of Department of Medical Sciences and are responsible for teaching under-graduate and post-graduate programmes, providing leadership in the development of clinical research and administrative matters.

### Qualifications and Experience

A Masters degree, a fellowship of a recognized college and eligibility to be registered as a specialist in the discipline by the Fiji Medical Council. Clinical commitment at the CWM Hospital, Suva and Lautoka Hospital will be involved.

Being a Senior Academic at FSMed you can expect to enjoy the following benefits:

- A chance for further development through Professional Training and Development scheme.
- Membership of professional fellowship colleges or medical associations
- Dedicated time for research and private practice
- Contact with the very best visiting consultants in this region
- Being part of a conducive learning environment with top students from across the Pacific Region.
